## *PARAEDUCATOR/ INSTRUCTIONAL ASSISTANT CLASS*

### **What is a Paraeducator?**

Paraeducators are an integral part of today's classroom. They are a key member of the special education team as well as the Juvenile Court and Community School Program. Paraeducators are found in a pre-kindergarten class for children with special needs, out in the community serving as a job coach for a student with developmental disabilities, in a resource room for adolescents with learning disabilities, in a 4th-grade classroom that contains some students with and without special needs, or in a community/court school classroom. Paraeducators are present in most educational settings under the supervision of the teacher. Their skills and contributions make them highly valued and sought after in education. In short, paraeducators have an enormous impact on the students they work with and play an important role in today's classroom.

### **The Paraeducator Course**

The Solano County Office of Education's Paraeducator/Instructional Assistant class prepares students to meet the mandates of the No Child Left Behind Act (NCLB) which is now required to become a Paraeducator/Instructional Assistant in California. Students receive classroom instruction and test in Reading, Language Arts, Mathematics, Ability to Assist and Employability Skills.

**Dates of 30 Hour Class** (Must attend all 30 hours to receive a certificate of completion. Solano County Office of Education will accept completion of the class in lieu of the required 2 ECE units to become a permanent Paraeducator.)
