RESOLUTION NO. B09-10-12
AFRICAN AMERICAN HISTORY MONTH

WHEREAS, the history of our great country has been written by men and women of every race, religion, and ethnic background, and during African American History Month we reinforce our commitment to be a nation of opportunity, equality, and hope for every citizen by recognizing that our nation is stronger because of the contributions of generations of courageous and determined African Americans; and

WHEREAS, African Americans have helped to shape our nation and influence American life. On January 20, 2009, we witnessed a proud, moving, and unforgettable moment in history as Barack Obama became the first African American President of the United States leading the way by deed and example and encouraging all citizens to perform public service to others in a climate of mutual respect; and

WHEREAS, racial barriers have been broken down and the cause of civil rights advanced by patriots such as Frederick Douglass, Martin Luther King, Jr., Rosa Parks, Thurgood Marshall, Sojourner Truth, Harriet Tubman, and W.E.B. DuBois; school segregation was fought and the academic world transformed to ensure that every child has access to a good and equal education by educators such as Booker T. Washington, Mary McLeod Bethune, and Dr. Frederick Patterson; and

WHEREAS, America has benefited from the achievements of scientists and inventors like George Washington Carver; been inspired by athletes like Jesse Owens, Wilma Rudolph, Jackie Robinson, and Althea Gibson who persevered while breaking the color barrier and competing at the highest levels of sports; and had our spirits lifted by gifted and creative entertainers like Ossie Davis, Nat King Cole, Billie Holiday, Ray Charles, Pearl Bailey, Ella Fitzgerald, Louis Armstrong and Michael Jackson, each an encouragement to reach as far as our vision and dreams may take us; and

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education recognizes February as African American History Month and encourages all educators to commemorate this occasion with appropriate instructional activities that honor the struggles, courage, and accomplishments of African Americans, battle against the injustice and evil of racism, and highlight the progress made toward expanding the hearts and minds of our nation's citizens.

RESOLUTION NO. B09-10-13
CAREER AND TECHNICAL EDUCATION MONTH

WHEREAS, February has been designated Career and Technical Education (CTE) Month in recognition of the programs and instructors that prepare our nation's secondary and postsecondary students for a wide range of careers, particularly in those fields predicted by the U.S. Bureau of Labor Statistics to be among the fastest growing occupations within the next decade such as healthcare and emerging occupations such as renewable energy and energy efficiency; and

WHEREAS, investing in CTE yields big returns to the community by producing a well-educated and skilled workforce that can effectively compete in the global economy, equipped for the profound economic and technological developments of our world that are rapidly exhibited in the structure and nature of work, thereby placing new and additional responsibilities on our educational system and requiring workers to be trained in skilled professions with CTE; and

WHEREAS, this year's theme, "*CTE: Invest in Your Future*" reflects the experience received by high school students in practical, meaningful applications of basic skills such as reading, writing, and mathematics, thus improving the quality of their education, motivating potential dropouts, and giving all students leadership opportunities in their fields and in their communities while also providing Americans with a school-to-career connection; and

WHEREAS, CTE plays a crucial role in a strong, well-educated workforce; fosters productivity in business and industry; contributes to America's leadership in the international marketplace; and offers individuals lifelong opportunities to learn new skills, providing them with career choices and potential job satisfaction.

NOW, THEREFORE, BE IT RESOLVED, that the Solano County Board of Education recognizes February as Career and Technical Education Month and supports the ever-increasing cooperative efforts of career and technical educators, business, and industry to stimulate the growth and vitality of our local economy and that of the entire nation by preparing graduates for career fields forecast to experience the largest and fastest growth in the next decade.

RESOLUTION NO. B09-10-14
WEEK OF THE SCHOOL ADMINISTRATOR

WHEREAS, leadership matters for California's public education system and the more than six million students it serves; and

WHEREAS, the title "school administrator" is a broad term used to define many education leadership posts including superintendents, assistant superintendents, principals, assistant principals, special education and adult education leaders, curriculum and assessment leaders, school business officials, classified educational leaders, and other district and county office of education employees; and

WHEREAS, school administrators are passionate, lifelong learners who believe in the value of quality public education and understand that providing quality service for student success is paramount for the profession; and

WHEREAS, many school administrators began their careers as teachers with the average administrator having served in public education for more than a decade, the majority of California's superintendents having served in education for more than 20 years, and such experience is beneficial in their work to effectively and efficiently lead public education and improve student achievement; and

WHEREAS, public schools across the nation operate with lean management systems, employing fewer managers and supervisors than most public and private sector industries including transportation, food service, manufacturing, utilities, construction, publishing, and public administration; and

WHEREAS, school leaders depend on a network of support from school communities – fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials, and district and county staff and resources – to promote ongoing student achievement and school success; and

WHEREAS, research shows great schools are led by great principals, and great districts and offices of education are led by great superintendents, and these site leaders are supported by extensive administrative networks throughout the state; and

WHEREAS, the State of California has declared the first full week of March as the "Week of the School Administrator" in Education Code 44015.1, recognizing that the future of California's public education system depends upon the quality of its leadership.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education supports March 1-5, 2010, as the Week of the School Administrator and commends all school leaders for the contributions they make to successful student achievement.
