Our Priorities

Job Readiness and Skill Development

All students deserve academically rigorous and relevant college and career preparation. SCOE provides teaching and learning opportunities that build critical thinking, communication, collaboration, and creativity.

Equity, Access, and Enrichment

Given high quality instruction, all students can and will learn regardless of ethnicity, language, economic background, gender, or ability. SCOE provides technical support, resources, and expertise to help schools and districts measure, monitor, and direct student learning opportunities.

Student Safety, Support, and Wellness

SCOE provides leadership and support to districts and schools to implement a Multi-Tiered System of Supports (MTSS) focusing on social-emotional learning, Positive Behavior Interventions and Supports (PBIS) and academic supports to ensure that all students have the opportunity to learn and succeed.

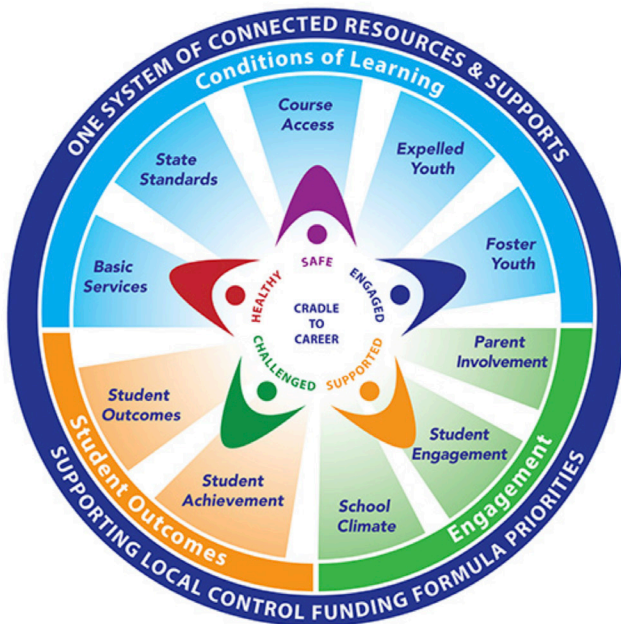

Advocacy and Leadership

SCOE provides service and support to assist districts in meeting legal mandates, operate cost-effectively and raise student achievement.

Fiscal Accountability

SCOE maintains an organization that is fiscally solvent and ensures the fiscal health of school districts under the jurisdiction and leadership of the Solano County Superintendent of Schools.

Metrics That Matter

Data drives our decisions and discussions. Our expenditures are connected to student outcomes. We establish metrics to measure our progress, and develop our strategies along the way.
