## ABOUT

Faith is defined as having complete trust or confidence in someone or something. Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. By merging these principles, the Faith and Education Collaborative will work to support students in achieving their full potential.

## GUIDING PRINCIPLES

Respect differences and validate each other's strengths.

Collaborate with organizations that welcome all individuals from the community.

Conduct open, honest and consistent reflection and communications.

Lead with love.

Make sure all programs and activities have a secular purpose.
