**RESOLUTION NO. B08-09-09**  
**NATIONAL AMERICAN INDIAN HERITAGE MONTH**

**WHEREAS**, National American Indian Heritage Month honors the many contributions and accomplishments of American Indians and Alaska Natives and helps us recognize the strong and living traditions of the first people to call our land home; and

**WHEREAS**, the American Indian experience is central to America's history, and their rich culture, unique traditions, and contributions to our society are to be cherished, respected, and preserved; and

**WHEREAS**, since the earliest days of our Republic, Native Americans have played a vital role in our country's freedom and security. From the Revolutionary War scouts to the Code Talkers of World War II, Native Americans have served in all branches of America's Armed Forces helping to spread liberty around the world, and America is grateful to those who serve and sacrifice in the defense of freedom; and

**WHEREAS**, Solano County was occupied for untold centuries by Native Americans who called themselves "Patwins" with some of the Patwin village names having survived phonetically in Solano County in such modern place names as Suisun, Soscol, Ulatis, and Putah; and

**WHEREAS**, Sem Yeto, Christianized as Francisco Solano, was Chief of the Patwin tribe and became friends with General Mariano Guadalupe Vallejo. The boundaries of Solano County were set in 1850 and General Vallejo, as a respected member of the legislature, named the county after his friend Chief Solano; and

**WHEREAS**, the contributions of the Native Americans to this nation's government, history, and culture are as numerous and varied as the tribes themselves with every tribe boasting celebrated heroes of its own in sports, the arts, film, literature, engineering, medicine, education, and environmental science; and

**WHEREAS**, the American culture has been greatly influenced by the traditions of native peoples including their tribal sovereignty and close relationship to the earth and all its inhabitants; and

**WHEREAS**, California Education Code §51204.5 specifically calls for instruction in the social sciences to include the study of the role and contributions of Native Americans to the economic, political, and social development of California and the nation with particular emphasis on portraying the role of Native Americans in contemporary society.

**NOW, THEREFORE, BE IT RESOLVED**, that the Solano County Board of Education recognizes November as National American Indian Heritage Month and encourages educators, students, and members of the community to learn more about the rich heritage of American Indians and Alaska Natives and the role they have played in building and sustaining our nation and to commemorate this occasion with appropriate instructional activities.
