NATIONAL BULLYING PREVENTION MONTH**

WHEREAS, the Solano County Office of Education (SCOE) upholds the right of students and staff to attend and work in schools that are safe and free from violence, harassment, bullying, discrimination, and the fear of harm, as these concerns can create barriers to concentration, learning, and working and contribute to low self-esteem, depression, anger, and, in extreme cases, school violence or suicide; and

WHEREAS, providing a safe school environment that ensures both the physical and emotional safety of students and staff creates the conditions necessary to promote academic achievement; and

WHEREAS, a safe school environment is one that is free of intimidation and harassment; where teaching, learning, and working are not distracted; disruptions are minimized; drugs, violence, bullying, and fear are not present; students and staff are not discriminated against; expectations for behavior are clearly communicated; and consequences for infractions are consistently and fairly applied; and

RESOLUTION NO. B14-15-10
RED RIBBON WEEK

WHEREAS, the use of alcohol, tobacco, and other drugs has reached staggering levels in California and throughout the United States, and the abuse of these substances creates immense societal costs and prevents millions of people from reaching their full potential at school, on the job, and in their communities, and making prevention and treatment a national priority in order to improve the well-being of America and protect our Nation's citizens; and

WHEREAS, the rate of abuse of drugs, alcohol, and tobacco by our Nation's youth is cause for alarm, and research indicates that children of parents who talk to their teens regularly about the dangers of drugs are 42% less likely to use drugs than those who don't, and yet only a quarter of teens report having these conversations with their parents or other caring adults, and studies further show that youth who avoid the early use of alcohol, tobacco, and marijuana are less likely to engage in other harmful behaviors that are dangerous and harmful to both their health and future such as crime, delinquency, and the use of other illegal drugs; and

WHEREAS, the most effective way to reduce the cycle of youth addiction and the crime it causes is to reduce demand beginning with the active participation of families, schools, and community organizations in visible prevention education efforts and outreach programs that clearly communicate to children the dangers inherent in tobacco use, and drug and alcohol abuse; and

WHEREAS, Red Ribbon Week highlights the importance of teaching good habits early to children, spreading awareness about dangerous behaviors, not being afraid to stand up for one's self and others despite peer pressure, setting a good example, and being a positive influence in the lives of young people by promoting healthy lifestyle choices; and

WHEREAS, the Solano County Office of Education (SCOE) is committed to abolishing the destructive impact that substance abuse has had in our homes, schools, workplaces, and economy and is dedicated to an alcohol-, tobacco-, and drug-free lifestyle through activities such as prevention education services provided through SCOE's Youth Development Department.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education hereby supports Red Ribbon Week, October 23–31, and this year's theme "*Love Yourself, Be Drug Free*," which aims to promote good overall health; reminds young people that drugs and alcohol are off limits because they cannot use drugs and consider themselves healthy; reminds adults that we must work every day to support the development of protective skills and competencies that each young person needs in life to make healthy choices and prevent alcohol, tobacco, and other drug use; and encourages all citizens to participate in this prevention campaign, making a visible statement that we are firmly committed to an alcohol-, tobacco-, and drug-free county.

RESOLUTION NO. B14-15-11
VETERANS DAY COMMEMORATION

WHEREAS, in 1954, President Dwight D. Eisenhower signed the first Veterans Day proclamation and called upon our Nation to “pay appropriate homage to the veterans of all its wars who have contributed so much to the preservation of this Nation”; and

WHEREAS, our Nation has fought and continues to fight battles around the world as we recall the words of that first proclamation: “Let us solemnly remember the sacrifices of all those who fought so valiantly, on the seas, in the air, and on foreign shores, to preserve our heritage of freedom, and let us reconsecrate ourselves to the task of promoting an enduring peace so that their efforts shall not have been in vain”; and

WHEREAS, we gratefully remember the valor of those men and women who have served the United States of America with honor and distinction in our military, and we pay tribute to those who are currently away from their families as they bravely face some of the most brutal and ruthless tyrants, terrorists, and militaries the world has ever known in order to protect our country’s citizens, preserve our freedom, and defend the principles on which our great Nation was founded; and

WHEREAS, we draw inspiration from the heroes who suffered unspeakably as prisoners of war, empathize with those who were wounded and still carry the scars of war, seen and unseen, and pledge to do everything in our power to bring home those patriots who are still missing; and

WHEREAS, Solano County is home to many military families at Travis Air Force Base and veterans who may have worked at Mare Island Naval Shipyard or other military bases, and, while no words will ever be truly worthy of their service, and no honor will fully befit their sacrifice, it is never too late to respectfully say “Thank you.”

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education recognizes November 11, 2014, as Veterans Day, a time to honor our Nation’s Veterans – our fallen, our wounded, those unaccounted for, our former prisoners of war – and remember their families who carry a pain that will never fade, and we hope that they find peace in knowing their loved ones endure, not only in medals and memories, but in the hearts of all Americans who are forever grateful for their service, courage, and sacrifice; and

BE IT FURTHER RESOLVED, that the Solano County Board of Education encourages educators, students, and residents to observe Veterans Day with appropriate programs, ceremonies, and activities that thank and honor our distinguished veterans and those who lost their lives, and to renew our commitment to the veterans who answered our country’s call to serve.
