Mr. Speck shared a card and certificate from the Vacaville High School Robotics Team, the Robodogs, thanking SCOE for its support and contributions that helped the team have a very successful year in various competitions and, ultimately, increased interest in Science, Technology, Engineering, and Mathematics (STEM) education.

## VII. SUPERINTENDENT'S REPORT

### (a) Recognition of Partners in Attendance Awareness Campaign

Lisette Estrella-Henderson, Associate Superintendent of Student Programs and Educational Services, reported on SCOE's Attendance Awareness Month campaign in September and expressed thanks to each of our community partners whose collaboration and donations were critically important to the success of this endeavor. The Board recognized the support of 95.3 KUIC Radio; Fairfield and Suisun Transit (FAST); Dickey's Barbeque; Driven Raceway; First 5 Solano Children and Families Commission; Jump Highway; Raley Field, Home of the River Cats, and the San Francisco Giants Organization; Round Table Pizza; Scandia Family Fun Center; Stars Recreation Center in Vacaville; and Sutter Solano Medical Center. These sponsors helped make the event even better, and the students were excited to win fun prizes. Each sponsor will receive a certificate of thanks for their participation.

### (b) 2014-15 Audit Report

Terri Montgomery of Vavrinek, Trine, Day & Company (VTD), LLP, presented and answered questions about the 2014-15 Audit Report. She explained that the external audit verifies the figures that SCOE management initially presented to the Board as unaudited actuals. After reviewing SCOE's records, the auditors gave a clean opinion, meaning that the figures fairly state SCOE's financial situation without any exceptions. She pointed out page 9 of the audit report that lists SCOE's assets and liabilities. Aggregate pension is a new reporting area for all agencies this year and largely unfunded, which helps start conversations on contribution rates but greatly impacts SCOE's unrestricted net position; however, this does not mean that SCOE cannot pay its bills. Page 61 indicates that no changes were needed to reconcile SCOE's unaudited amounts because they agreed with the audited figures. Page 73 contains a summary of the auditors' opinions and shows that no modifications were needed in the three required areas of Financial Statements, Federal Awards, and State Awards.

Page 76 mentions one qualification regarding Regional Occupational Center or Program (ROC/P) Maintenance of Effort (MOE). The law required that SCOE spend no less on the program in 2013-14 and 2014-15 than it did in 2012-13; however the intent of the Local Control Funding Formula (LCFF) was to transition ROP/Career Technical Education (CTE) programs to the districts. SCOE's plans for a two-year transition went smoothly, but as a result there was staff attrition due to retirements, reassignments, or transitioning to become district employees. Therefore, SCOE did not spend as much in salaries and benefits as it had in 2012-13, and the auditor must note this even though it was an anticipated reduction. Tommy Welch, Associate Superintendent of Administrative Services and Operations, added that after the 2014-15 year, this obligation is complete and will no longer be reported in future audits.

Mr. Speck thanked Mr. Welch, Director of Internal Business Services Becky Lentz, and their staff members for working closely with the auditors during their review and throughout the year.

### (c) Quarterly Reports on *Williams* Uniform Complaints

As part of the *Williams* Uniform Complaint Procedures, school districts and SCOE are required to report, on a quarterly basis, summary data regarding the nature and resolution of all complaints. There were no complaints for the following three programs during the time period of October 1, 2015, through December 31, 2015: Juvenile Court and Community School (JCCS), Division of Unaccompanied Children's Services (DUCS), and Juvenile Detention Facility (JDF). (Attachment E)

(d) Local Control and Accountability Plan (LCAP) Update

Mrs. Estrella-Henderson introduced Nicola Parr, Director of Student and Program Support, whose new responsibilities include working on SCOE's LCAP. Mrs. Parr provided the monthly update on the formative progress of SCOE's LCAP, and she will give the LCAP updates in the future.

Mrs. Parr distributed and reviewed a handout including a revised LCAP development timeline, details about recent and upcoming stakeholder engagement meetings, information about the data gathering process to help determine next steps and goal achievements, and an individual infographic for each of SCOE's four LCAP goals. The efforts of SCOE and our local school districts are going well.

Trustee Coleman inquired about adding a dollar figure to each infographic that would help the public understand the costs going toward each goal. Mr. Speck said that the total amount is included on the LCAP overview document, and his staff would work on communicating that for each goal; however, Mrs. Estrella-Henderson pointed that it is a challenge to determine how much is being spent on each goal when some funds cover more than one goal.

(e) Human Resources Report

Janet Harden, Associate Superintendent of Human Resources (HR), Workforce Development, and Public Information, reported that all teaching positions in the Juvenile Court and Community School (JCCS) program have been filled, and HR is in the process of filling the few remaining openings for teachers in the Special Education program as well as increasing our pool of substitute teachers.

(f) State and Federal Legislative Update

Mr. Speck gave an update on recent state and federal legislative activity including Governor Brown's recent proposal, which is receiving praise for giving education lots of funding but is actually just fulfilling responsibilities under Proposition 98. The proposal does not mention anything about county offices of education (COE) efforts to continue LCAP oversight to the district. One thing we are closely watching is the Governor's proposal to put preschool programs and transitional kindergarten in a block grant for three-year-olds, and students who are low income, English learners, foster youth, etc., but he wants to meet with stakeholders first to finalize the details.

(g) Temporary Certificates

Temporary certificates for credential applicants approved by the County Superintendent were noted. (Attachment F)

(h) Meetings/Special Dates

Mr. Speck reviewed upcoming activities and announced any additions, deletions, and changes.

Mr. Speck highlighted some of his recent activities including attendance at the JDF graduation ceremony, VEX robotics competition at Vanden High School, Hour of Code at Fairfield-Suisun Unified School District (FSUSD), and Winter Wonderland at T.C. McDaniel Center.

**VIII. NEW BUSINESS**

(a) Educator Effectiveness Plan

Mrs. Estrella-Henderson introduced Tracy Robinson, Program Manager of Educator Effectiveness, who presented SCOE's Educator Effectiveness Plan resulting from Senate Bill (SB) 103, the Education Trailer Bill, signed into law in September of 2015. SB 103 revised the appropriation of \$490 million to be disbursed to local educational agencies (LEAs) for professional development to enhance the quality and effectiveness of teachers and administrators.

Ms. Robinson distributed copies of her PowerPoint and a handout containing SCOE's Educator Effectiveness Plan (EEP). She explained that SCOE received \$126,000 based on the number of

certificated staff members SCOE employs, and she described the four ways in which the grant funds may be spent.

After looking at SCOE's needs and receiving input from the certificated bargaining unit as well as the management team, anticipated needs, objectives, and a plan of action were developed. Also considered was the alignment of the EEP with other SCOE plans such as the Local Educational Agency Plan (LEAP), Single Plan for Student Achievement (SPSA), Greatness by Design (GbD), and LCAP. Mr. Speck added that the three-year EEP block grant seems similar to the Beginning Teacher Support and Assessment (BTSA) program of a few years ago except the EEP includes administrators.

Mrs. Estrella-Henderson recognized Ms. Robinson's leadership in developing the EEP along with her significant work with the certificated bargaining unit members. Currently, the number of teachers to be served by the grant is not known. Our only requirements at this time are to develop and submit the EEP; and the approval of a detailed expenditure plan is not required.

This was the first reading of the proposed plan, and no action was required. The item will be brought back for action at the February 10, 2016, regular meeting.

(b) Board Policy on the Naming of Facilities

Mr. Welch presented proposed Board Policy 9000.32 regarding the Board's role in naming SCOE facilities. As was mentioned at a prior Board Meeting, the possibility has arisen to rename the JDF school. Education Code is unclear about whose responsibility it is to name or rename school facilities, but a legal opinion indicated the task is most likely the Board's based on the Board's other duties concerning property. The draft policy is patterned after CSBA's sample policies and will put a needed process in place. Mr. Speck pointed out Vacaville Unified School District's (VUSD) plans to reopen and rename a school have created a lot of community discussion and been reported in the media recently. Having a policy in place can help clarify the process and alleviate stress and arguments.

Trustee Dean recommended changing the word "shall" to "may" in the first sentence of the draft policy to provide the Board with more flexibility when considering the naming of facilities.

This was the first reading of the proposed policy, so no action was required. The item will be brought back for action at the February 10, 2016, regular meeting.

**IX. COMMENTS FROM THE COMMUNITY**

There were no comments from the community to consider.

**X. BOARD DISCUSSION**

(a) Board Member Activity Reports

Each of the Board members gave a brief report on their recent education-related activities.

Trustee Cohen-Thompson said now that her term as the leader of the Black Chamber of Commerce is over, she plans to fill her time by participating in more education-related activities and on the Board of Directors of Vallejo Community Access Television (VCAT). She has discussed the Vallejo City Unified School District's (VCUSD) vision with Dr. Ramona Bishop, Superintendent, to gain an understanding of how she may best represent the district at the county level. She has also attended several district events involving students in the Law & Justice Academy and the Multimedia Academy. She is mentoring a student in the Hospitality Academy and plans to attend an upcoming parent event at Jesse Bethel High School as well as future VCUSD Governing Board meetings.

Trustee Bates experienced illness and the loss of a sibling over the holidays, but she attended a fundraising luncheon for Child Haven, the JDF graduation, and delivered books from the Rotary Club to Crescent Elementary School in Suisun.

Trustee Ford distributed handouts and talked about the CSBA Annual Conference he attended in December; CSBA Golden Bell Award winners, including VCUSD for its Wall-to-Wall Academies; and the schedule for upcoming Biotechnology Program seminars at U.C. Davis.

Trustee Coleman attended the JDF graduation.

Trustee Minor has been elected President of the Solano County Black Chamber of Commerce and will invite the Board Members to the installation reception once the details have been finalized. She also plans to attend the Education Economic Summit planning meeting on January 21<sup>st</sup> at Golden Hills Education Center.

Trustee Silva talked briefly about the hiring of a new President at Solano Community College.

Trustee Dean celebrated her mother's 80<sup>th</sup> birthday, attended the JDF graduation ceremony, and shared the calendar published by the First 5 Solano Children and Families Commission that contains good information for families that need services.

(b) Board Member Requests

In accordance with Board Policy 9250, Board members may request to represent the Board in an education-related activity and specify the desired level of support necessary for the activity.

(1) Board Member Attendance at Governance Workshops

During its August 12, 2015, regular meeting, the Board voted to pay from its budget for each Member to participate in up to two courses, within driving distance, of the California School Boards Association (CSBA) Masters in Governance (MIG) program and/or the California County Boards of Education (CCBE) Governance Workshop.

Trustee Coleman attended courses 1-2 of the CSBA MIG program in November 2015 and would like to complete the series by attending courses 3-4 in January in Sacramento and course 5 in May in Hayward. Expenses would total approximately \$1,336.

Motion was made by Trustee Ford, seconded by Trustee Minor, and unanimously carried by a vote of those present to approve Trustee Coleman's attendance this year in courses 3-5 of the CSBA MIG program.

Mr. Speck clarified that, due to the Board's action in August, an adjustment to the Board's annual travel and conference budget was made to allocate funds for every Board Member to attend two governance workshops in 2015-16. He asked the Members to notify his office staff if they were not planning to attend one or both of their workshops so the budget can be more accurately aligned with actual expenditures. If all Members decide to go to both of their allotted sessions, a budget revision will be necessary to increase the Board's budget. Trustees Silva, Bates, and Ford stated that they had previously completed the CSBA MIG program and do not intend to use their allotment. Trustee Cohen-Thompson said she would prefer to attend the workshops when they are held in northern California next year.

(2) Board Member Attendance at Leadership Institute

Trustee Dean would like to attend CSBA's Leadership Institute in July in Sacramento. While attending the CSBA Annual Conference in December, she received a certificate for complimentary registration. Other expenses would total approximately \$465.

Motion was made by Trustee Ford, seconded by Trustee Coleman, and unanimously carried by a vote of those present to approve Trustee Dean's attendance at the CSBA Leadership Institute.

(3) Board Member Attendance at State Academic Decathlon

Trustee Bates would like to represent the Board by volunteering at the California Academic Decathlon in March in Sacramento. Expenses would total approximately \$325.

Motion was made by Trustee Ford, seconded by Trustee Minor, and unanimously carried by a vote of those present to approve Trustee Bates' volunteerism at the State Academic Decathlon.

(c) Suggestions on Future Board Agenda Items

- (1) Board members may suggest future topics to be coordinated by the County Superintendent and presented by SCOE staff or external presenters.

Mr. Speck mentioned that the Board may have two expulsion appeals to hear at February's regular meeting.

- (2) The Board may identify current topics of particular interest and, by consensus, choose one of its members to lead a brief discussion at a future meeting.

There were no suggestions on future member-led discussions.

**XI. ADJOURNMENT**

There being no further business, the meeting was adjourned at 7:46 PM.

**RESOLUTION NO. B15-16-24**  
**FRED KOREMATSU DAY OF CIVIL LIBERTIES AND THE CONSTITUTION**

**WHEREAS**, the battle for civil liberties has been championed by ordinary Americans who have had the courage to stand up and fight for their basic Constitutional rights; and

**WHEREAS**, under Civilian Exclusion Order 34, based on the federal Executive Order 9066, which imposed strict curfew regulations and required 120,000 Japanese Americans to leave their homes to be incarcerated in American concentration camps during World War II, Mr. Fred Korematsu was arrested and convicted but fought back because he believed the conviction went against the basic freedoms guaranteed to him by the U.S. Constitution; and

**WHEREAS**, Mr. Korematsu's conviction was ultimately overturned in 1984 – a decision that influenced the U.S. government's passage of the Civil Liberties Act of 1988, which recognized that a grave injustice was done by forced relocation and incarceration of civilian Americans because of wartime prejudice; and

**WHEREAS**, current California law designates a number of days as having special significance, when public schools are encouraged to observe and conduct suitable commemorative exercises as specified; and

**WHEREAS**, the History-Social Science Framework for California Public Schools, Kindergarten through Grade Twelve, states that the history curriculum at each grade level relating to community, state, region, nation, and the world must reflect and integrate the experiences of men and women of different racial, religious, and ethnic groups; and

**WHEREAS**, the California Assembly and State Senate passed AB 1775, the Fred Korematsu Day of Civil Liberties and the Constitution, without opposition, and former Governor Arnold Schwarzenegger signed this bill into law on September 23, 2010.

**NOW, THEREFORE, BE IT RESOLVED**, that the Solano County Board of Education encourages all schools and teachers to observe the fifth annual Fred T. Korematsu Day of Civil Liberties and the Constitution on or near January 30<sup>th</sup> of each year, conduct exercises commemorating the life of Fred Korematsu, and recognize the importance of preserving civil liberties, even in times of real or perceived crisis.

**RESOLUTION NO. B15-16-25**  
**COMMEMORATION OF THE WORK AND WORDS OF DR. MARTIN LUTHER KING, JR.,**  
**AND HIS ROLE IN CIVIL RIGHTS HISTORY**

**WHEREAS**, on August 28, 1963, when the Reverend Dr. Martin Luther King, Jr. delivered in Washington, DC the "I Have A Dream" speech, which has become one of the most notable speeches in our Nation's history, citizens in Solano County and across our great Nation marched peacefully down their hometown streets carrying signs calling for civil rights while singing the iconic song, "We Shall Overcome"; and

**WHEREAS**, on that historic day, a quarter-million men and women, young and old, filled the Washington, DC, landscape to take part in what Dr. King called "the greatest demonstration for Freedom in the history of our Nation," as people of all races were woven together like a grand American human tapestry, sharing in the Dream that our Nation would one day make real the promise of Liberty, Equality, and Justice for all; and

**WHEREAS**, the now-famous March On Washington capped off a summer of discontent when the plea for civil rights was met with brutality and imprisonment for some marchers, yet the resistance continued with a strong conviction that stirred our Nation's conscience and paved the way for two major victories of the Civil Rights Movement: the Civil Rights Act of 1964 and the Voting Rights Act of 1965; and

**WHEREAS**, the March On Washington was a demonstration for jobs as well as freedom, and the civil rights coalition understood that racial equality and fairness for workers are bound together, because when one American is treated unfairly, it jeopardizes liberty, equality, and justice for everyone, and so the lessons we carry forward are that: we cannot march alone, our futures are interdependently linked to every other person on earth, and America thrives when we acknowledge our common humanity; and

**WHEREAS**, it is not enough to reflect with pride on the victories of the Civil Rights Movement, but, rather, we must: continue to make progress during our lifetimes in honor of every man, woman, and child who left footprints on the National Mall or a hometown street; guard against prejudice whether at the polls or in the workplace, on our streets or in our own hearts; and pledge that, in the words of Dr. King, "we will not be satisfied until Justice rolls down like waters and Righteousness like a mighty stream."

**NOW, THEREFORE, BE IT RESOLVED**, that the Solano County Board of Education encourages students, teachers, and all citizens to commemorate the life of Dr. King on his birthdate, January 15<sup>th</sup>, and throughout the year by respecting our country's remarkable "melting pot" and celebrating our diversity with appropriate programs, ceremonies, activities, and cultural and ethnic events.
