RESOLUTION NO. B15-16-15
NATIONAL NATIVE AMERICAN HERITAGE MONTH

WHEREAS, during National Native American Heritage Month we honor the vibrant cultures, unique customs, and strong traditions of American Indians and Alaska Natives who were the first to carve out cities, domesticate crops, and call this land home; and

WHEREAS, Solano County was occupied for many centuries by Native Americans who called themselves “Patwins” with some of the Patwin village names having survived phonetically in Solano County in such modern place names as Suisun, Soscol, Ulatis, and Putah; and

WHEREAS, Sem Yeto, Christianized as Francisco Solano, was Chief of the Patwin tribe and became friends with General Mariano Guadalupe Vallejo. The boundaries of Solano County were set in 1850, and General Vallejo, as a respected member of the legislature, named the county after his friend Chief Solano; and

WHEREAS, we recognize the vast contributions of Native Americans to the arts, business, education, engineering, literature, medicine, military service, sports, science, and every facet of our society, and we acknowledge and respect the significant influence of Native Americans on our Nation’s development, government, and history, while recalling the many courageous sacrifices, forced assimilation, great adversities, and violent, painful past that they have endured and overcome; and

WHEREAS, the American culture can truly benefit from the preserved practices of native peoples including their tribal sovereignty and close relationship to the earth and all its inhabitants; and

WHEREAS, California Education Code §51204.5 specifically calls for instruction in the social sciences to include the study of the role and contributions of Native Americans to the economic, political, and social development of California and our Nation with particular emphasis on portraying the role of Native Americans in contemporary society.

NOW, THEREFORE, BE IT RESOLVED, that the Solano County Board of Education recognizes November as National Native American Heritage Month and encourages educators, students, and members of the community to learn more about the rich heritage of American Indians and Alaska Natives and the roles they have played in building and sustaining our Nation, and commemorate this occasion with appropriate instructional activities.

**RESOLUTION NO. B15-16-16
PURPLE HEART MONTH**

WHEREAS, the Solano County Office of Education and Solano County Board of Education have the highest admiration and utmost gratitude for all of the brave men and women with past or present service in our Armed Forces, and have particular compassion for those who lost their lives or are suffering from combat-related injuries; and

WHEREAS, the Purple Heart Medal traces its origins as a military honor to General George Washington’s August 7, 1782, *General Orders to the Continental Army*, which established the Badge of Military Merit directing that “whenever any singularly meritorious action is performed, the author of it shall be permitted to wear ... over the left breast, the figure of a heart in purple cloth;” and

WHEREAS, unlike the European tradition of such awards being reserved for high-ranking officers, the Badge of Military Merit could be awarded to soldiers of any rank, as in Washington’s own words, “The road to glory in a patriot army and a free country is thus open to all;” and

WHEREAS, in 1932, on the 200th anniversary of George Washington’s birth, the Badge of Military Merit was revived when the U.S. War Department authorized a new Purple Heart Medal to be awarded to any service member wounded or killed in action, retroactive to World War I service; and

WHEREAS, in 2011, the Department of Defense clarified the criteria for the Purple Heart Medal to include service members who sustain a traumatic brain injury (TBI) resulting from enemy-generated explosions; and on August 3rd, California Governor Edmund G. Brown, Jr., issued a proclamation declaring August 2011 as “Purple Heart Veterans’ Month,” followed by California becoming the first state to designate itself a “Purple Heart State” on April 12, 2012, and the County of Solano designating itself as a "Purple Heart County" on April 22, 2014; and

WHEREAS, Solano County is home to more than 40,000 veterans and over 300 living recipients of the Purple Heart Medal, while a total of nearly two million Purple Heart Medals have been awarded to combat veterans, including over 42,000 since the Vietnam War, and these figures represent the staggering amount of human suffering and unparalleled selfless sacrifices that our Veterans and service members have endured.

NOW, THEREFORE, BE IT RESOLVED, that the Solano County Board of Education wishes to honor and thank all of our courageous service members and heroic recipients of the Purple Heart Medallion for their dedication to duty, selfless sacrifice, and personal courage in defense of our beloved America and acknowledges November as “Purple Heart Month” encouraging educators, students, and citizens of our community to respect our Purple Heart Medal recipients for their service, valor, and sacrifice, and remember all our service members and veterans, the fallen and wounded, those unaccounted for, and our prisoners of war, with appropriate programs, ceremonies, and activities.

RESOLUTION NO. B15-16-17
CALIFORNIA RUNAWAY AND HOMELESS YOUTH AWARENESS MONTH

WHEREAS, studies indicate that nationally between 1.6 to 2.8 million youth ages 12-24 experience homelessness for at least one night or more each year, and the latest McKinney-Vento report suggests that California’s youth accounts for about 297,617 of that figure, which continues to grow each year; and

WHEREAS, the reasons youth flee and become runaways or homeless are varied: conflict and poverty in their homes; separation from parents through death or divorce; physical, sexual, and/or emotional abuse; neglect; and exiting juvenile corrections or foster care, and they often become disconnected from educational systems and the workforce and do not possess the skills or financial, housing, and transition resources to live on their own and feel there are no other options open to them; and

WHEREAS, the percentage of unaccompanied homeless minors who are unsheltered in California stands at 79.2%, which is the second highest in the country, and the number of emergency shelter beds available to homeless youth has dropped in the past 10 years leaving many to live on the streets where they become the victims of crime and physical or sexual abuse because they are often too poor to secure basic needs, unable to access adequate medical or mental health care, and unaware of support services that are available; and

WHEREAS, only 20 of California’s 58 counties presently have programs for runaway and homeless youth, meaning that awareness of youth homelessness and its causes must be heightened to better coordinate services among the many families, businesses, law enforcement agencies, schools, and community and faith-based organizations who work to help youth in crisis remain off the streets; and

WHEREAS, the future well-being of our State depends on the value we place on our youth and the actions we take to support preventative efforts and offer helpful services that provide our most vulnerable young people with opportunities to acquire the knowledge, skills, and abilities needed to find and maintain stable housing and develop into healthy and productive adults.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education does hereby acknowledge the month of November as California Runaway and Homeless Youth Awareness Month; support the Solano County Office of Education’s Homeless Youth Services Program in helping vulnerable youth through current programs authorized under Title IV of the Social Security Act; promote training opportunities and programs that assist young people, especially foster youth, in staying off the streets and in school; and applaud the initiative of individuals as well as public and private organizations dedicated to helping prevent homelessness among youth and providing aid when prevention fails.

RESOLUTION NO. B15-16-18
**AMERICAN EDUCATION WEEK/
NATIONAL EDUCATION SUPPORT PROFESSIONALS' DAY**

WHEREAS, November 16-20, 2015, marks the 94th annual observance of American Education Week, traditionally a time to heighten community awareness of the excellence achieved every day in our schools by students and staff, celebrate those who are making a vital difference in building great public schools for our Nation's approximately 50 million K-12 students, draw attention to the wonderful things happening in our public schools, and raise awareness about the critical need to provide every child with a quality public education; and

WHEREAS, great public schools are a basic right and the backbone of our democracy, providing young people with the tools needed to maintain our nation's precious values of freedom, civility, and equality, and bringing together adults and children, educators and volunteers, business leaders and elected officials, in a common enterprise; and

WHEREAS, every student in every classroom must be educated to achieve his or her greatest potential so that our democratic society can endure, and we must nurture young Americans' hope for, and access to, a productive future by equipping them with both practical skills and broader intellectual abilities and by providing high educational standards so they can compete and succeed in the global society; and

WHEREAS, Wednesday, November 18, 2015, has been established to honor all of the education support professionals who recognize that our students and Nation will profit tomorrow from what we invest in education today and who tirelessly labor as an integral part of the education process be they bus drivers, cafeteria workers, clerical assistants, custodians, health service workers, librarians, maintenance staff, paraeducators, substitute educators, teachers, technology services employees, and other staff who serve our children and communities daily with care and professionalism and provide a safe and healthy learning environment for students; and

WHEREAS, all citizens in our community are affected by the quality of education in Solano County's public schools – whether or not they have children in school – because today's students are tomorrow's workforce, business leaders, legislators, and community members, and the quality of their educational system directly influences the quality of life in our community for all citizens in the future.

NOW, THEREFORE, BE IT RESOLVED, that the Solano County Board of Education recognizes that, to maximize our investment in the future, we must constantly strive to improve the effectiveness of our schools. In addition to the positive influence of school personnel, parents are urged to talk with their children about school, read with them, provide homework guidance, and ensure regular school attendance, because parents greatly shape their children's ability to benefit from their schooling.

RESOLUTION NO. B15-16-19
DAY OF THE SPECIAL EDUCATOR

WHEREAS, in December of 1975, former President Gerald Ford signed our Nation’s first special education law assuring that children with disabilities would be afforded assessment and rehabilitation services, access to education, and opportunities to learn; and

WHEREAS, to mark the 40th anniversary of this legislation, the Day of the Special Educator is observed to acknowledge the important work and commitment of those who work in special education classrooms such as special day class teachers, paraeducators, resource specialists, interpreters for the deaf and hard of hearing, speech and language therapists, behavior intervention specialists, nurses, specialists for the visually impaired, occupational and physical therapists, adaptive physical education teachers, assistive technology specialists, mobility specialists, autism specialists, program specialists, psychologists, and others who work in schools serving students with special needs; and

WHEREAS, special educators demonstrate flexibility by carrying out additional tasks such as coordinating related services and meetings; serving as an authority on assessments; completing Individualized Education Programs (IEP); performing file management duties to help ensure the legal responsibility of providing a Free and Appropriate Education (FAPE) has been met; and being involved in the students’ behavioral, social, and academic development, helping them progress emotionally, feel comfortable in social situations, be aware of acceptable behavior, and overcome difficulties by building upon strengths; and

WHEREAS, dedicated and hardworking special educators are invaluable resources who recognize that all children can learn but not in the same way or at the same pace, leading them to design, modify, and deliver appropriate curricula based on best teaching practices; epitomize good teaching techniques daily in every aspect of their work; remain open-minded, eager learners who constantly look to improve their skills and find even better source materials for their students; personalize and develop goals for their students, tailoring them to the student’s individual needs and abilities; and hold high expectations that their students will be successful in reaching their full potential; and

WHEREAS, special educators exhibit qualities of compassion and patience; building collaborative relationships based on trust, teamwork, and shared accountability; work closely with parents to inform them of their child’s progress and suggest techniques to promote learning at home; and stay aware of current laws governing special education to ensure IEPs are a comprehensive and beneficial document for parents, teachers, and students.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education does hereby recognize December 3, 2015, as the Day of the Special Educator to acknowledge the commitment and contributions of special educators, and encourage all citizens to show appropriate appreciation for the dedication and hard work of special educators as they serve the unique needs of our students.

Dear Trustees:

In order to comply with the Williams Lawsuit Settlement, current law (Section 1240 of California Education Code) requires the County Superintendent, or his/her designee, to report on schools ranked in deciles 1-3 on the 2012 Academic Performance Index (API).

The purpose of the report as specified in California Education Code (EC) Section 1240 is to describe the State of the Schools related to:

1. students having access to "sufficient instructional materials in four core subject areas (English/Language Arts, Mathematics, History/Social Science, Science) and as appropriate, science laboratory equipment, Foreign Languages, and Health";
2. compliance with facilities maintenance to determine the condition of a facility that "poses an emergency or urgent threat to the health or safety of pupils or staff"; and
3. the school providing accurate data for the annual School Accountability Report Card (SARC) related to instructional materials and facilities maintenance.

The law further requires that the County Superintendent annually monitor and review:

1. teacher misassignments in deciles 1-3 schools; and
2. quarterly reports on complaints filed with the school district concerning insufficient instructional materials, teacher vacancies and misassignment, and emergency or urgent facilities issues under the Uniform Complaint Procedure.

In addition, the County Superintendent is required to determine the condition of school facilities.

Williams Lawsuit Report
Solano County Board of Education

Page 2

Basic terms defined:

- “Sufficient instructional materials” means every pupil, including English Language Learners, has a textbook in the four core areas to use in class and to take home each night to complete required homework assignments.
- “Facilities standards” means that each school district who receives State funding for facilities is required to establish a facilities inspection program and to ensure that each of the schools is maintained in good repair.
- “Good repair” is defined as maintaining schools that are clean, safe, and functional.

Findings:

Chart B – County Wide Results – shows accumulated data by district for all of the four districts in the six areas we monitored. This data is a compilation of all of the Williams Schools in the county.

Charts C, D, E and F are the results for each district.

In conclusion, the Solano County Office of Education is available to support any actions that need to be taken to address the needs identified in the report.

Sincerely,

Lisette Estrella-Henderson
Associate Superintendent, Student Programs and Educational Services
