RESOLUTION NO. B16-17-10
FILIPINO AMERICAN HISTORY MONTH & LARRY ITLIONG DAY

WHEREAS, October 18, 1587, marks the earliest documented proof of Filipino presence in the continental United States having arrived by ship and setting foot in Morro Bay, California; and

WHEREAS, in 1763, the first permanent Filipino settlement in the continental United States was established in St. Malo, Louisiana, which set in motion a concentration of critical economic, cultural, social, and other notable contributions by Filipino Americans who have helped develop our Nation’s history in countless ways; and

WHEREAS, in 1906, the Sekada signified the first wave of Filipino farm workers to arrive in America, some of whom settled in the Suisun Valley, sent their children to Gomer School, labored as farm workers, and were an integral part of Solano County’s agricultural economy; and

WHEREAS, Filipino Americans comprised a large sector of the workforce at Mare Island Naval Shipyard and Travis Air Force Base, contributing to the military defense, growth, and history of Solano County; furthermore, according to the U.S. Census Bureau, a five-year trend indicates that the number of Filipino Americans in our community, State, and Nation continues to grow, and they remain the largest Asian American group in Solano County, second largest in California, and third largest in the Nation; and

WHEREAS, born in the Philippines on October 25, 1913, the late Larry Itliong worked on the railroads and as a migrant farmworker in California, and became a leader in one of the greatest social justice movements in America as he organized 1,500 Filipinos to strike against the grape growers of Delano, while repeatedly suffering through violence, and courageously called upon other farmworkers led by César Chávez and Dolores Huerta to join forces with the Filipinos to strike together, and the two groups combined to establish the United Farm Workers of America; and

WHEREAS, the communities of Solano County have long recognized the contributions of Filipino Americans, several of whom have dedicated many years to serving the public through military and civil service, elected offices, and political policymaking in our cities and school districts.

NOW, THEREFORE, BE IT RESOLVED, that, in accordance with California Senate Concurrent Resolution No. 58, dated July 14, 2015, and Assembly Bill No. 7, dated June 30, 2015, the Solano County Board of Education recognizes October as Filipino American History Month and October 25 as “Larry Itliong Day” and encourages teachers, students, and all members of our community to study the chronicles, strong values, rich culture, and enduring legacy of Filipino Americans as well as the significance of the positive role they have proudly and humbly played in transforming the diverse history of our great Nation

**RESOLUTION NO. B16-17-11
NATIONAL BULLYING PREVENTION MONTH**

WHEREAS, the Solano County Office of Education (SCOE) upholds the right of students and staff to attend and work in a school environment that promotes physical and emotional safety, and in which teaching, learning, and working are not disrupted or distracted; expectations for behavior are clearly communicated; consequences for infractions are consistently and fairly applied; and drugs, bullying, intimidation, harassment, discrimination, and fear are not present, as these concerns can create barriers to concentration, learning, working, and achievement, and contribute to low self-esteem, depression, anger, and, in extreme cases, violence or suicide; and

WHEREAS, the most effective approach to creating safe school environments requires a comprehensive, coordinated effort including school-, district-, and community-wide strategies where all institutions, organizations, and individuals must accept responsibility for their crucial roles and collaborate to establish a positive environment for teaching, learning, and working; and

WHEREAS, SCOE supports local schools, districts, and communities in developing, implementing, and monitoring policies and programs to address the prevention, intervention, and elimination of bullying, harassment, and discrimination; and

WHEREAS, more than 160,000 students in the U.S. stay home from school each day because they are scared of being bullied; thus, the month of October has been declared National Bullying Prevention Month, a campaign in response to the need to raise awareness about bullying that provides schools and communities with an opportunity to educate students, parents, and others about the different forms of bullying, their role in bullying prevention, and the importance of lifting others up rather than tearing them down.

NOW, THEREFORE, BE IT RESOLVED that SCOE supports the goals of National Bullying Prevention Month and will work with a broad spectrum of local community stakeholders, parents, students, teachers, and staff to develop, implement, and monitor policies and programs that foster and support a positive school climate free from harassment, bullying, discrimination, and violence; and

BE IT FURTHER RESOLVED that the Board encourages all students, teachers, staff, and community members to value diversity; engage in respectful interactions and responsive problem solving; never tolerate cruelty; stand up for others; speak out against bullying behavior; and urge our lawmakers to invest in and promote comprehensive, coordinated, and collaborative strategies to prevent bullying, harassment, discrimination, and violence in our schools so that all students have the opportunity to attend school, engage in classroom activities, and achieve academic success.

**RESOLUTION NO. B16-17-12
SCHOOL BUS SAFETY AWARENESS MONTH**

WHEREAS, each day there are about 480,000 public school buses on our Nation’s roads transporting approximately 26 million K-12 students (53% of total students), twice a day (52 million student trips), with an additional estimated 5 million daily extracurricular activity roundtrips, and close to one million of these children are being transported to and from school and school-related activities by school buses in California; and

WHEREAS, each year school bus drivers across the U.S. log over 4.4 billion miles behind the wheel and provide over 10 billion individual pupil rides for our Nation’s children making these vehicles the largest form of public transit in the United States, yet they boast the best safety record of any other form of transportation: 172 times safer than the family automobile, 8 times safer than railroad passenger trains, 4 times safer than transit or intercity buses, and 8 times safer than scheduled airlines; and

WHEREAS, the U.S. Department of Transportation requires every school bus to have six additional safety features that are not found on any other public or private vehicle; and

WHEREAS, school buses travel every day on urban and rural roadways and are subjected to countless obstacles posing potential danger to precious passengers; and

WHEREAS, Solano County Office of Education’s transportation professionals are dedicated to protecting our students and take measures to ensure the safety of children, drivers, and others on the road including annual mandated training, adherence to strict federal drug testing policies, performing regularly scheduled inspections of all buses, and promptly reporting when maintenance is needed; and

WHEREAS, California recognizes October as School Bus Safety Awareness Month, and our Nation identifies October 17-21, 2016, as National School Bus Safety Week whose theme this year is “Bully Free Zone!” signifying that riding the bus to and from school is a safe place in which bullying is not tolerated.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education realizes the importance of school bus safety; acknowledges October as California School Bus Safety Awareness Month and October 17-21, 2016, as National School Bus Safety Week; and encourages all citizens to drive safely near school zones, avoid distractions, be mindful of school bus signals, and remind our children to use caution when waiting for or getting on and off the bus in order to avoid school bus accidents and protect the precious riders on board.

RESOLUTION No. B16-17-13
WEEK OF THE SCHOOL ADMINISTRATOR

WHEREAS, research repeatedly shows that quality school leadership is essential to student success, and leadership matters for California’s public education system and the more than six million students it serves; and

WHEREAS, great schools are led by great principals, and great school districts and county offices of education are led by great superintendents, who are, in turn, supported by an extensive network of dedicated administrative professionals including assistant superintendents, assistant principals, teachers, special education and adult education leaders, curriculum and assessment experts, school business officials, classified educational leaders, and many other administrative associates, all of which fall under the broad term of “school administrator;” and

WHEREAS, many school administrators began their careers as teachers, and, in addition to their many years of beneficial experience in a classroom, they remain passionate, lifelong learners who believe in the value of public education and truly understand that providing effective and efficient leadership and quality service is paramount for improving student achievement and ensuring student success; and

WHEREAS, California once ranked first in the nation in per-pupil spending but now ranks nearly last, and public schools must often find ways to do more with less such as operating with fewer managers and supervisors than most public and private sector industries including transportation, manufacturing, food service, utilities, construction, and public administration; and

WHEREAS, school leaders depend on a network of support from school communities – fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials, and district and county staff and resources – to promote ongoing student achievement and school success; and

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education recognizes that the future of California’s public education system depends upon the quality of its leadership and supports California State Senate Bill 1229 declaring the second full week of October, this year October 9-15, 2016, as the “Week of the School Administrator” and commends all school leaders for the contributions they make toward successful student achievement.

RESOLUTION NO. B16-17-15
RED RIBBON WEEK

WHEREAS, the use of alcohol, tobacco, and other drugs has reached staggering levels in California and throughout the United States, and the abuse of these substances creates immense societal costs and prevents millions of people from reaching their full potential at school, on the job, and in their communities, thus making prevention and treatment a national priority in order to improve the well-being of America and protect our Nation’s citizens; and

WHEREAS, the rate of abuse of drugs, alcohol, and tobacco by our Nation’s youth is cause for alarm, and research indicates that children of parents who talk to their teens regularly about the dangers of drugs are 42% less likely to use drugs than those who don’t, and yet only a quarter of teens report having these conversations with their parents or other caring adults, and studies further show that youth who avoid the early use of alcohol, tobacco, and marijuana are less likely to engage in other harmful behaviors that are dangerous and harmful to both their health and future such as crime, delinquency, and the use of other illegal drugs; and

WHEREAS, the most effective way to reduce the cycle of youth addiction and the crime it causes is to reduce demand beginning with the active participation of families, schools, and community organizations in visible prevention education efforts and outreach programs that clearly communicate to children the dangers inherent in tobacco use, as well as drug and alcohol abuse; and

WHEREAS, Red Ribbon Week highlights the importance of teaching good habits early to children, spreading awareness about dangerous behaviors, not being afraid to stand up for one’s self and others despite peer pressure, setting a good example, and being a positive influence in the lives of young people by promoting healthy lifestyle choices; and

WHEREAS, the Solano County Office of Education (SCOE) is committed to abolishing the destructive impact that substance abuse has had in our homes, schools, workplaces, and economy and is dedicated to an alcohol-, tobacco-, and drug-free lifestyle through activities such as prevention education services provided through SCOE’s Youth Development Department.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education hereby supports Red Ribbon Week, October 23–31, and this year’s theme "*You Only Live Once (YOLO). Be Drug Free,*" which aims to promote good overall health; reminds young people that they have worth and should love themselves enough to take care of themselves because they cannot use drugs and consider themselves healthy; reminds adults that we must work every day to support the development of protective skills and competencies that each young person needs in life to make healthy choices and prevent alcohol, tobacco, and other drug use; and encourages all citizens to participate in this prevention campaign, making a visible statement that we are firmly committed to an alcohol-, tobacco-, and drug-free county.
