RESOLUTION NO. B12-13-17
AFRICAN AMERICAN HISTORY MONTH

WHEREAS, the history of our great country has been written by men and women of every race and ethnic background, and we recognize African American History Month each February by reflecting on the bitterness of slavery and oppression, the progress our nation has made, and the remaining challenges still to be overcome; and

WHEREAS, this year’s theme, “At the Crossroads of Freedom and Equality: The Emancipation Proclamation and the March on Washington,” honors the 150th anniversary of President Abraham Lincoln’s January 1st proclamation declaring the freedom of all persons held as slaves within the rebellious states, and marks the 50th anniversary in August of the March on Washington for Jobs and Freedom; and

WHEREAS, America has been inspired by the accomplishments of generations of determined African Americans whose vast contributions in all facets of life, including the fields of business, science, athletics, entertainment, education, and government, have helped shape our great nation’s history and identity, and encouraged us to reach as far as our vision and dreams may take us; and

WHEREAS, the sesquicentennial anniversary, which began on April 12, 2011, and will last until the spring of 2015, marking the Civil War’s official first shot at Fort Sumter in Charleston, South Carolina, is a fitting opportunity to ensure all citizens, young and old, have an accurate appreciation of this transformative period in our nation’s history in which three quarters of a million men died during the years of dreadful combat; and

WHEREAS, our nation can remain strong only when its people unite to strengthen the world’s commitment, cooperation, and economy by ensuring social, civil, and political rights in all aspects of society and promoting a greater understanding of, and respect for, the many rich cultures and diverse heritages that connect us in Earth’s human tapestry.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education acknowledges February as African American History Month and urges all educators to commemorate this occasion with appropriate instructional activities, ceremonies, and programs that pay tribute to the unjust past of black Americans and, because knowledge is our country’s strongest tool against injustice, will lead to a brighter future for all Americans.

PASSED AND ADOPTED this 13th day of February 2013, by the Solano County Board of Education, Solano County, California, by the following vote:

**RESOLUTION NO. B12-13-18
CAREER AND TECHNICAL EDUCATION MONTH**

WHEREAS, February has been designated as Career and Technical Education (CTE) Month in recognition of the programs and instructors that prepare our nation’s secondary and post-secondary students for the demands of a wide range of careers, particularly in those fields predicted by the U.S. Bureau of Labor Statistics to be among the fastest growing occupations within the next decade including healthcare, technology, and emerging green occupations such as renewable energy and clean, sustainable communities; and

WHEREAS, investing in CTE yields big returns to the community by producing a well-educated and skilled workforce that can effectively provide leadership in the international marketplace and compete in the global economy, equipped for the profound economic and technological developments of our world that are rapidly exhibited in the structure and nature of work, thereby placing new and additional responsibilities on our educational system and requiring workers to be trained in skilled professions through CTE; and

WHEREAS, this year’s theme, “*Career and Technical Education Works!*” focuses on the ways CTE educates students to be ready for college and career and prepares them for high-wage, high-demand career fields and reflects the experience received by students in practical, meaningful applications that provide a relevant school-to-career connection and motivate students to achieve their full potential by completing their education; and

WHEREAS, CTE plays a crucial role in a strong, well-educated workforce; fosters productivity in business and industry; contributes to America’s leadership in the international marketplace; and offers individuals lifelong opportunities to learn new skills, providing them with career choices and potential job satisfaction.

NOW, THEREFORE, BE IT RESOLVED, that the Solano County Board of Education recognizes February as Career and Technical Education Month; supports the ever-increasing cooperative efforts among career and technical educators, business leaders, and industry partners to stimulate the growth and vitality of our local economy and that of the entire nation by preparing graduates for career fields forecast to experience the largest and fastest growth in the next decade; and urges all citizens to become familiar with the services and benefits of local CTE programs and support and participate in these programs to enhance individual work skills and productivity.

RESOLUTION NO. B12-13-19
WEEK OF THE SCHOOL ADMINISTRATOR

WHEREAS, research repeatedly shows that quality school leadership is essential to student success, and leadership matters for California’s public education system and the more than six million students it serves; and

WHEREAS, great schools are led by great principals, and great school districts and county offices of education are led by great superintendents, who are, in turn, supported by an extensive network of dedicated administrative professionals including assistant superintendents, assistant principals, teachers, special education and adult education leaders, curriculum and assessment experts, school business officials, classified educational leaders, and many other administrative associates throughout the state, all of which fall under the broad term of “school administrator;” and

WHEREAS, school administrators are passionate, lifelong learners who believe in the value of public education and understand that providing quality service for student success is paramount for the profession; and

WHEREAS, many school administrators began their careers as teachers with the average administrator having served in public education for more than a decade, the majority of California’s superintendents having served in education for more than 20 years, and such experience is beneficial in their work to effectively and efficiently lead public education and improve student achievement; and

WHEREAS, nationally, public schools operate with lean management systems, employing fewer managers and supervisors than most public and private sector industries including transportation, food service, manufacturing, utilities, construction, publishing, and public administration; and

WHEREAS, school leaders depend on a network of support from school communities – fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials, and district and county staff and resources – to promote ongoing student achievement and school success; and

WHEREAS, the State of California has declared the first full week of March as the “Week of the School Administrator” in Education Code 44015.1, recognizing that the future of California’s public education system depends upon the quality of its leadership.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education supports March 3-9, 2013, as the Week of the School Administrator and commends all school leaders for the contributions they make to successful student achievement.
