RESOLUTION NO. B09-10-16
NATIONAL WOMEN'S HISTORY MONTH

WHEREAS, throughout the shaping of America's history, women have strengthened the fabric of their families, communities, our country, and the world, in countless ways through their vision, ingenuity, courage, determination, passion, leadership, and hard work; and

WHEREAS, women have played and continue to play a crucial economic, cultural, political, and social role in every sphere of our nation and have been particularly important in the establishment of America's charitable, philanthropic, and cultural institutions; and

WHEREAS, American women of every race, religion, and background have made unique and vital contributions to the endeavors and triumphs of our nation, breaking down social and professional barriers, providing a majority of the volunteer labor force, and constituting a significant portion of the labor force working inside and outside of the home; and

WHEREAS, our nation is a land of great opportunity, and women are seizing that opportunity and shaping the future of America in all walks of life including education, science, business, the arts, media, athletics, government, military service, and motherhood by giving care and guidance that helps build a foundation for the success of our nation's children and strengthening the character of our country; and

WHEREAS, despite all of their accomplishments and contributions, the role of American women in history is often overlooked and undervalued in the literature, teaching, and study of our nation's history;

WHEREAS, the theme for Women's History Month 2010 is "*Writing Women Back Into History*" to recognize the various aspects of women's achievements that are frequently left out of the history books and highlight the accomplishments of viable female role models; and

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education hereby recognizes the month of March 2010 as Women's History Month and encourages the educational community and all citizens to celebrate the many ways women strengthen and enrich America, and commemorate this occasion with appropriate programs, ceremonies, and activities that honor the extraordinary contributions and accomplishments of American women as they drive our nation to continue its progress toward making our society more prosperous, just, and equal.

RESOLUTION NO. B09-10-17
OPPOSITION TO FURTHER CUTS TO EDUCATION FUNDING

WHEREAS, despite Governor Schwarzenegger's vow to protect education, his proposed budget manipulates the numbers to reduce education funding by \$900 million in the current year and an additional \$2.4 billion in 2010–11; and

WHEREAS, California's education system plays a vital role in the state's economic future and schools are now in a crisis bigger than any ever seen—one that the governor and legislators must take more seriously; and

WHEREAS, these unprecedented cuts are changing the face of education for an entire generation of school children; and

WHEREAS, California's educational programs have been cut to the bone, in some cases down to the marrow, and as a result schools have been forced to eliminate summer school, libraries, transportation, athletics, technology, agriculture, Regional Occupational Programs (ROP) and General Education Development (GED); and

WHEREAS, the educational programs being cut are the very programs that help our students succeed in school and compete in the workforce; and

WHEREAS, administrative costs have taken the biggest hit in most districts and yet the governor's budget proposal recommends that 10 percent be cut from school district and county office of education administrative costs; and

WHEREAS, district and county office administration provides important functions that have a direct impact on what happens in the classroom, and currently California's schools rank among the lowest in the nation in the number of administrators per student; and

WHEREAS, schools simply cannot continue to absorb these cuts on top of the \$17 billion in reductions they've endured over the past two years.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Office of Education opposes further cuts to education funding and urges the legislature to take responsibility for California's future by making education a priority.
