RESOLUTION NO. B12-13-10
RED RIBBON WEEK

WHEREAS, alcohol, tobacco, and other drug use has reached staggering proportions in California and throughout the United States, and the abuse of these substances creates immense societal costs and prevents millions of people from reaching their full potential at school, on the job, and in their communities making prevention and treatment a national priority in order to improve the well-being of America and protect our nation's citizens; and

WHEREAS, the rate of abuse of drugs, alcohol, and tobacco by our nation's youth is cause for alarm, as research indicates that youth who avoid the early use of alcohol, tobacco, and marijuana are less likely to engage in other harmful behaviors that are dangerous and harmful to both their health and future such as crime, delinquency, and the use of other illegal drugs; and

WHEREAS, the most effective way to reduce the cycle of youth addiction and the crime it causes is to reduce demand beginning with the active participation of families, schools, and community organizations in visible prevention education efforts and outreach programs that clearly communicate to children the dangers inherent in tobacco use, and drug and alcohol abuse; and

WHEREAS, Red Ribbon Week highlights the importance of teaching good habits early to children, spreading awareness about dangerous behaviors, not being afraid to stand up for one's self and others despite peer pressure, setting a good example, and being a positive influence in the lives of young people by promoting healthy lifestyle choices; and

WHEREAS, the Solano County Office of Education is committed to abolishing the destructive impact that substance abuse has had in our homes, schools, workplaces, and economy and is dedicated to an alcohol-, tobacco-, and drug-free lifestyle through activities of the Youth Development and Prevention Education Services Department; and

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education does hereby support Red Ribbon Week, October 23–31, and this year's theme "*The Best Me is Drug Free*," which aims to inspire young people and remind adults that we must work every day to support the development of protective skills and competencies that each young person needs in life to make healthy choices and prevent alcohol, tobacco, other drug use, and encourages all citizens to participate in this prevention campaign, making a visible statement that we are firmly committed to an alcohol-, tobacco-, and drug-free county.
