SOLANO COUNTY BOARD OF EDUCATION
Solano County, California

RESOLUTION NO. B10-11-03
FILIPINO AMERICAN HISTORY MONTH

WHEREAS, October 18, 2010, marks the 423rd anniversary of the earliest documented proof of Filipino presence in the Continental United States according to author Lorraine Jacobs Crouchett in her book, *Filipinos in California* (1982), annotating John Walton Caughey in his book, *California* (1953), and that definitive dates of written landings on the shores of California have been recorded with the earliest in 1587 according to Crouchett, annotating H.R. Wagner's *Unamuno's Voyage to California in 1587*; and

WHEREAS, this year marks the 247th anniversary of the permanent settlement of Filipinos in the Continental United States setting into motion a national observance in order to focus on the story of our nation's past from a new perspective by concentrating on the critical economic, cultural, social, and other notable contributions made in countless ways by Filipino Americans toward the development of United States history; and

WHEREAS, according to the U.S. Census Bureau's American Community Survey 2009 Data Profile, Filipino Americans are the largest Asian group in Solano County (approximately 39,698 or 9.7% of the total county population), second largest in California (approx. 1,160,354 or 3.1% of the total), and third largest in the Nation (approx. 2,475,794 or 0.8% of the total), some of whom have played vital roles in forming our Nation such as Antonio Miranda Rodriguez Poblador who helped establish the city of Los Angeles in 1781; Pedro Flores, father of the American yo-yo (1928); Agapito Flores who invented the fluorescent light in the early 1940s; Victoria Manalo Draves, the first woman in Olympic history to win 2 gold medals in diving on the U.S. team (1948); Eduardo San Juan who designed the Lunar Rover or "moon buggy" used by the Apollo astronauts to explore the moon; Christopher Cabaldon, Mayor of West Sacramento; Benjamin Cayetano, former Governor of Hawaii; Rear Admiral (Ret.) Eleanor Connie Mariano, M.D., former White House Medical Unit Director and senior physician to George H.W. Bush, Bill Clinton, and George W. Bush; Cristeta Comerford, the first woman and first minority to hold the post of Executive Chef for the White House; Precious Lara Quigaman who won the pageant title of Miss International 2005; Angela Perez Baraguio, former Miss Hawaii 2000 who became Miss America in 2001 and whose parents are both public school teachers as is she; and Olympic swimmer Natalie Coughlin, daughter of a Vallejo police officer and a product of Vallejo City's schools, who won 5 Olympic medals in the 2004 games in Greece, and 6 Olympic medals in the 2008 games in Beijing, China, making history as the first U.S. female swimmer to win six medals at a single Olympics and the first woman ever to win a 100-meter backstroke gold in two consecutive Olympics; and

WHEREAS, this year also celebrates the 104th anniversary of the Sekada signifying the first wave of Filipino farm workers to arrive in America, some of whom settled in the Suisun Valley, sent their children to Gomer School, and were an integral part of Solano County's agricultural history; and

WHEREAS, the communities of Solano County have recognized the contributions of Filipino Americans and promoted them into leadership positions some of which include the first Filipino American in California history to be elected to the City Council of Vallejo (1973) and to the Solano County Board of Supervisors (1976) (Larry Asera); Filipino Americans have served as Mayor of Suisun City (Pete Sanchez) and on the City Council of Vallejo (Cris Villanueva, Pete Rey, Hermie Sunga), and have been elected to the governing boards of local school districts in the Vallejo City USD (Dr. Rozzana Verder-Aliga, Oggee Villanueva), Fairfield-Suisun USD (Abe Bautista), Solano Community College (Rev. Dr. A.C. "Tony" Ubalde, Jr.), and the Solano

County Board of Education (Larry Asera, Dr. Rozzana Verder-Aliga); Belle Orpilla, former Field Representative for California Senator Wes Chesbro; and in 2009, the Filipina Women’s Network, a nonprofit association for women of Philippine ancestry aimed at advancing Filipina women in the U.S. workplace through programs and activities that enhance public perceptions of Filipina women’s capacities to lead, change biases, build the Filipina community’s pipeline of qualified leaders, and increase the odds that some will rise to the top position in all sectors, selected and honored Dr. Rozzana Verder-Aliga as one of the 100 Most Influential Filipina Woman in the U.S. due to her accomplishments in the Policymakers & Visionaries award category; and

WHEREAS, Filipino Americans have comprised a large workforce sector at Mare Island Naval Shipyard and Travis Air Force Base and contributed to the military, defense economy, and history of Solano County as well as laboring as some of the early farm workers in the Suisun Valley, thus, contributing to the agricultural economy of our county; and

WHEREAS, efforts must continue to promote the study of Filipino American history and culture, so mandated in the mission statement of the Filipino American National Historical Society, because the role of Filipino Americans and those of other minorities have been largely underrated in the writing, teaching, and learning of United States history; and

WHEREAS, it is imperative for Filipino American youths to have positive role models and to instill in them the importance of education, complemented with the richness of their ethnicity and the values of their legacy.

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education supports the Trustees of the Filipino American National Historical Society in proclaiming October as Filipino American History Month and its annual and national observance throughout the United States and its territories as a significant time to study the advancement of Filipino Americans in the history of the United States; as a favorable time of celebration, remembrance, reflection, and motivation; and as a relevant time to renew more efforts towards research, examination, and promulgation of Filipino American history and culture in order to provide an opportunity for all Americans to learn and appreciate more about Filipino Americans and their historic contributions to our Nation, these United States of America.

WHEREAS, each year school bus drivers log over 4 billion miles behind the wheel and provide over 10 billion rides for our nation’s children making these vehicles the largest form of public transit in the United States, yet they boast the best safety record of any other form of transportation: 172 times safer than the family automobile, 8 times safer than railroad passenger trains, 4 times safer than transit or intercity buses, and 8 times safer than scheduled airlines; and

WHEREAS, the U.S. Department of Transportation requires 6 additional safety features be built into every school bus which are not found on any other public or private vehicle; and

**RESOLUTION NO. B10-11-05
RED RIBBON WEEK**

WHEREAS, alcohol, tobacco, and other drug use has reached staggering proportions in California and throughout the United States, and the abuse of these substances creates immense societal costs and prevents millions of people from reaching their full potential at school, on the job, and in their communities; and

WHEREAS, the U.S. Department of Health and Human Services estimates that 21.8 million Americans age 12 or older currently use illicit drugs, 17.1 million Americans are alcoholics or abusers of alcohol, and 69.7 million Americans use tobacco products, making prevention and treatment a national priority in order to improve the well-being of America and protect our nation's citizens; and

WHEREAS, the rate of abuse of drugs, alcohol, and tobacco by our nation's youth is cause for alarm, as research indicates that youth who avoid the early use of alcohol, tobacco, and marijuana are less likely to engage in other harmful behaviors that are dangerous and harmful to both their health and future such as crime, delinquency, and the use of other illegal drugs; and

WHEREAS, the most effective way to reduce the cycle of youth addiction and the crime it causes is to reduce demand beginning with the active participation of families, schools, and community organizations in visible prevention education efforts and outreach programs that clearly communicate to children the dangers inherent in tobacco use, and drug and alcohol abuse; and

WHEREAS, the Solano County Office of Education is committed to abolishing the destructive impact that substance abuse has had in our homes, schools, workplaces, and economy and is dedicated to an alcohol-, tobacco-, and drug-free lifestyle through activities of the Youth Development and Prevention Education Services Department; and

NOW, THEREFORE, BE IT RESOLVED that the Solano County Board of Education does hereby support the Red Ribbon Coalition in declaring October 23–31 as Red Ribbon Week with this year's theme "*Let Your Light Shine: Live Alcohol, Tobacco & Illegal Drug Free*" aiming to inspire young people while reminding adults that we must work every day to support the development of protective skills and competencies that every young person needs in his/her life in order to make healthy choices and prevent alcohol, tobacco, other drug use, and violence and encourages all citizens to participate in this prevention campaign, making a visible statement that we are firmly committed to an alcohol-, tobacco-, and drug-free county.
